

Great Stuff™ Extreme Seal with Kevlar®

Flexible Rubber Sealant

Extreme Seal withstands harsh conditions for durable, long-lasting flexible rubber seals. It resists UV rays, minimizes dripping, and is paintable after curing. Compatible with Great Stuff™ foam, it's ideal for outdoor applications like gutters, windows, roofs, foundations, campers, and rust protection.

- The only flexible rubber sealant formulated with Kevlar®
- Repairs and prevents water and air leaks
- Stays where sprayed for less drip and mess
- Provides UV protection
- Compatible with wood, glass, metal, concrete, plastic, rubber, tile, brick, and vinyl
- Available in black, white, and clear
